The Honorable Richard G. Andrews
United States District Court
District of Delaware
844 North King Street
Wilmington, DE 19801-3555

Re: *Bio-Rad Laboratories, Inc. v. 10X Genomics, Inc.*, C.A. No. 15-152-RGA

Dear Judge Andrews:

10X has respectfully moved for reconsideration of the Court's Order setting the supersedeas bond amount at \$52 million (D.I. 586). 10X's motion for reconsideration also addresses Plaintiffs' recent August 20 letter regarding the bond amount (D.I. 588). 10X requests a short oral argument pursuant to Local Rule 7.1.4 because 10X believes the Court would benefit from a hearing to establish a fair bond amount to secure the monetary relief that has actually been awarded.

Counsel is available at the Court's convenience if Your Honor has questions concerning this matter.

Respectfully,

/s/ Frederick L. Cottrell, III
